

PUBLIKATIONEN UND VORTRÄGE

Dr. med. RO Gabriela Mathieu

Publikationen

2013 «Insights into the pathophysiologic features of hypertensive heart disease» G. Pampu, I. Manitiu (Acta Medica Transilvanica, vol. II, nr. 3, 2013)

2009 «Imaging quantification of left ventricular aneurysms» G. Pampu, C. Calin, A. Calin, L. Zarma, C. Ginghina (Modern medicine 2009, vol XVI (6))

2008 «Predictors for left ventricular positive remodeling after percutaneous transluminal coronary angioplasty» M. Serban, I. Craciunescu, I. Ghiorghiu, M. Iancu, S. Vasile, G. Pampu, A. Hodo, D. Deleanu, C. Ginghina, (Romanian Journal of Cardiology 2008, vol XXIII, supplement A)

2008 «Let's help our heart» Co-author: G. Pampu (How to live longer and better by Healthy Nutrition Foundation, Ed. Academiei 2008)

2008 «Incessant ventricular tachycardia verapamil sensitive in a 12 years old child» Co-author: G. Pampu (Imaging in heart patients, Edited by Prof. Carmen Ginghina, Ed. Medicala 2008)

2008 «Rare association of hyperthrophic cardiomyopathy with high degree AV block» Co-author: G. Pampu (Imaging in heart patients, Edited by Prof. Carmen Ginghina, Ed. Medicala 2008)

2007 «The metabolic syndrome-risk factor for the deterioration of venous bypass grafts after CABG» I. Craciunescu, G. Pampu, M. Serban, B. Popescu, I. Ghiorghiu, d. Deleanu, C. Ginghina (Romanian Journal of Cardiology 2007, vol XXII, supplement A, 20)

2007 «The importance of mitral annular calcification and mitral regurgitation for clinical outcome after CABG» G. Pampu, I. Craciunescu, B. Popescu, M. Serban, C. Calin, D. Deleanu, H. Moldovan, C. Ginghina (European Heart Journal, 2007, 28 - Abstract Supplement, 355)

2006 «Evaluation of the hibernating myocardium benefits after percutaneous angioplasty» M. Serban, I. Crăciunescu, C. Mihăescu, I. Niculescu-Aron, M. Mazurencu , S. Vasile, G. Pampu, D. Deleanu, C. Ginghina (Romanian Journal of Cardiology, 2006, 3)

2003 «The exercise stress test and its new performances» S. Marcus, R. Cioranu, G. Pampu (Romanian Journal of Cardiology, 2003, 1)

Vorträge

2007 «Significant changes in echocardiographic parameters of systolic dysfunction after repeated procedures of myocardial revascularization»

C. Ginhina, I. Craciunescu, G. Pampu, M. Serban (Euroecho Lisbon, 2007)

2007 «Predictors for left ventricle systolic function recovery after percutaneous transluminal coronary angioplasty»

M. Serban, I. S. Craciunescu, I. Ghiorghiu, S. Vasile, G. Pampu, D. Deleanu, C. Mihaescu, C. Ginhina (Euroecho Lisbon 2007, Portugal)

2007 «Occurrence and risk factors for CABG interventions after PTCA

Revascularization» I. Craciunescu, G. Pampu, M. Serban, S. Vasile, B. Popescu, H. Moldovan, D. Deleanu, C. Ginhina (XIX World Congress of the International Society for Heart Research, Bologna, Italy, June 2007)

2006 «TIMI risk score in patients with Unstable angina/non-ST elevation MI who underwent CABG revascularization»

I. Craciunescu, G. Pampu, M. Serban, S. Vasile, H. Moldovan, D. Deleanu, C. Ginhina (XIX World Congress of the International Society for Heart Research, Bologna, Italy, June 2007)

2006 «Clinical and echocardiographic correlations in patients with ischemic dilative cardiomyopathy»

I. Craciunescu, M. Serban, S. Vasile, G. Pampu, S. Radian, I. Ghiorghiu, A. Popa, C. Ginhina (The 21 st National Symposium of Echocardiography, Bucharest)

2006 «Evaluation of left ventricle contractility in patients with ischemic heart disease. Correlations echocardiography – ventriculography»

M. Serban, S. Radian, I. Craciunescu, S. Vasile, G. Pampu, I. Ghiorghiu, A. Popa, C. Ginhina (The 21 st National Symposium of Echocardiography, Bucharest)

2006 «Clinical and echocardiographic characteristics of the patients with infective endocarditis on the aortic valve»

S. Vasile, M. Serban, I. Craciunescu, G. Pampu, S. Radian, C. Ungureanu, I. Ghiorghiu, C. Ginhina (The 21st National Symposium of Echocardiography, Bucharest)

2003 «Epidemiological and diagnostic aspects of the neoplastic diseases» A. Vintila, G. Pampu (Zilele Spitalului Coltea, Bucharest)
